BowlsWales is about to embark on producing a Strategic Plan for the period 2018-22 which will reflect the whole spectrum of the sport. The Roadshows will provide an ideal opportunity to hear from everyone involved in the game and help shape the future of the sport in Wales.

We are keen to achieve our vision that bowls is a lifetime sport for all and aims to raise awareness and participation of our fantastic game.

We want to showcase our local clubs across Wales, encourage more people, both young and old, to start playing bowls, and celebrate the national and international achievements of Team Wales.

Established in 2017, to promote our strategy, these roadshows forms part of a series taking place across the country.

**What's in it for me?**

The roadshows are a great opportunity for all bowlers and those interested in our game to meet the Board of BowlsWales and our volunteers. You will find out more about our work and how BowlsWales can help you and your club.

It's also a great opportunity for you to express your views and shape our approaches to meeting some of the challenges faced by our sport right now.

**Why do we want to meet you?**

This is a great opportunity for us to meet you and your fellow bowlers, who are the bedrock of our game. We want to see what ideas you have for the development of bowls in Wales and in turn see how your suggestions can help support you and your clubs in the best way possible.

It's also a great opportunity for you to share ideas with other bowlers and to work together.

### **How do I register?**

The roadshows are being advertised via Eventbrite, please register your interest using this website:
